

Spring Sailing Cruise

Are you curious about private equity and what it takes to future-proof companies on a global scale?

EQT is excited to host its traditional Spring Sailing Cruise for a relaxed evening of delicious food and drinks in a beautiful island setting. During the evening you will get to meet our team and hear more about private equity and EQT.

Our ship m/aux Ingeborg will set sails towards Lonna Island where dinner and drinks will be served. After the dinner, we will return to the mainland and those interested can follow our EQT skippers to Helsinki's nightlife.
